Reception visit to town

Dear Parents and Carers,

We had a brilliant World Book Day at BPS. We always enjoy dressing up and sharing our love of reading together. Red Nose Day was also hilarious, and raised £167 for Comic Relief.

Years three and four thoroughly enjoyed their tree planting experience over in Loders. As part of science week, we enjoyed a visit to Colfox to meet some creepy and not-so-creepy crawlies, and some exciting workshops- thank you to our amazing FOBPS for funding this. A highlight for me was the rocket launching!

On the sports front, we have had a great win in the handball tournament and our new bronze ambassadors had a training session this week.

Thank you for all your support at parents' evening- it is so valuable to have the time to celebrate your child's learning and think about what comes next.

Make sure you check out the elephants! Ours is in Goadsby's <https://stampedebythesea.org/>
