

Dear Parents and Carers,

Parents of children in Coneygar and Allington will receive additional information about which class their child will be in- please expect a paper copy coming home with your child.

We will do a formal transition session at the end of June, but we will also begin some informal work to support the changes ahead.

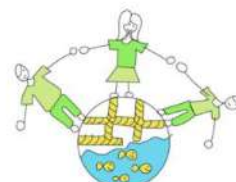

You will notice some names missing from our list; we say a fond farewell and good luck to Mr Jackson and Mr Gall. Mr Jackson is going to be a forest school teacher (not too far away from BPS!), and Mr Gall is looking forward to furthering his career in Axminster. Mrs Matthews is excited to be working in a new setting with younger children. Miss Kingston will be leaving us to enjoy some time with her young family. We will certainly miss them all.

Please be assured that while change is a necessary and natural part of life, we understand it can be difficult for many of our children and we will do our best to ensure a smooth transition.

I'd also like to let you know of a slight variation in our school day times. The government have standardised the hours that children *must* spend in school; therefore our day will run from **8.40am until 3.10pm** for **all** children. Please do not worry if you have siblings in different classes- we encourage you to collect younger children first please. We have breakfast and after school clubs available if needed.

Yours sincerely,

Ms Kite and the BPS Team
